EMAIL NEWSLETTERS AND ALERTS

ORC Members,

As of Saturday January 19, 2013 we have only 29 members signed up for email on our new website. In view of the recent changes to the gun laws in New York State now more than ever we need to have a quick and easy way to communicate with our fellow members. It has come to our attention that many of you either don't know how to or are having trouble with signing up for email alerts and newsletters. Hopefully this guide will help.

- First, type www.oneidarifleclub.com into your web browser and select.
- When our website comes up, select the "newsletters" box on the left side of the screen.
- On the newsletters page go to the "subscribe to the newsletter" box on the right side of the page.
- Type your email address in the box and read the "privacy policy" if you are interested.
- Check the box the says " I have read and agree with the privacy policy " and click "subscribe"
- You will then see a message thanking you for subscribing and telling you that a confirmation email will be sent to the email address that you entered.
- When you receive that email, click on the link as directed and you will be signed up to receive all the email alerts and newsletters.

If you have any problems or concerns, please contact Earl Wagner @ [<earlwagner@tds.net>](mailto:earlwagner@tds.net). I will post a running total on the newsletter page to show the growth of our mailing list.

Note: We have made progress getting the new website up and running and I hope everyone can take advantage of all the information, pictures etc. available on it. Unfortunately, we still have work to do on the newsletter. We will try to get out a newsletter bimonthly but we as yet don't have an editor. Anyone with computer and writing skills that would like to give that a try would be welcome. In the mean time, please be patient with our efforts.

Thank you,

ORC Board of Directors
